

16th National Nonpoint Source Monitoring Workshop

September 14-18, 2008

Marriott Renaissance Hotel
Columbus, Ohio

Getting the Point About Nonpoint

The National Nonpoint Source (NPS) Monitoring Workshop is an important forum for sharing successes and improving communication regarding management and monitoring of NPS pollution control projects.

By bringing together NPS personnel from state, federal, Tribal and municipal governments, private sector, academia, environmental groups and local watershed organizations, the workshop will focus on innovative solutions to NPS issues, effective monitoring techniques, demonstrations of new technologies, application of Best Management Practices (BMPs), and lessons learned from Section 319 National Monitoring Program projects and other watershed projects from throughout the United States.

The workshop also will provide a number of technical workshops and tours. Technical workshops will include topics such as monitoring Low Impact Development (LID) projects, stream morphology analysis tools, and bio-assessment tools. Tours will include Conservation Effects Assessment Project (CEAP) monitoring sites, stream restoration sites, alternative urban and agricultural BMPs, and much more.

Specific topics of interest to be highlighted at the 16th annual workshop will include:

- Stream Restoration & Renaturalization Project Monitoring
- Alternative Agricultural Best Management Practices
- Urban NPS & Stormwater Management Practices
- TMDL & Watershed Action Plan Implementation
- Bio-Assessment & Water Quality Monitoring Tools & Methodology
- Lake and Coastal NPS Issues
- Linking Water Quality Changes to Best Management Practices
- Social Indicators Associated with Monitoring Behavioral Changes

Save the Date & Call for Papers/Posters

Abstracts (500 words max) are
due by April 4, 2008

Requirements for Paper and
Poster submissions are available
at the following website:

<http://streams.osu.edu/conf.php>

Please make your submissions online
or by email to dambrosio.9@osu.edu

Applicants will be notified of the selection committee's decisions by May 16, 2008. Successful applicants are required to provide completed presentations by August 15, 2008. Oral presentations are limited to 20 minutes. All speakers must register in advance for the conference (discounted registration fees will apply).
