STREAM SIDE LANDOWNER CONTACTS

This contact list was created to provide streamside landowners in Ohio with an easy way to identify and access organizations and agencies that can help them meet their property management goals and protect stream health. For more information on streamside landowner resources go to the following web address: http://ohiowatersheds.osu.edu/ or call Anne Baird, Ohio State University Extension, School of Environment and Natural Resources Ph: 614-292-8603 or contact by email:baird.41@osu.edu
